

Valet Wide Area Vac

With a large 70 cm cleaning path and 40 litre capacity the Valet Wide Area Vac provides high productivity in large areas of carpet. Ideal for department stores, airports, hotels, conference and exhibition centres.

- Large 70 cm cleaning path gives 2.5 times more coverage than a typical upright or tub vacuum
- Straight line operation gives increased productivity
- High efficiency twin 1000 W vacuum motors
- 1800 rpm brush loosens deep down dirt and revives carpet pile
- Four-stage clean-air filtration removes dust particles down to 0.3 microns
- Ergonomically designed handle including height adjustment, cushioned grips and dead man's safety switch
- Brush height can be adjusted to five different positions, depending on the height of the carpet pile
- Large 40 litre capacity for maximum productivity
- Easy to access and change filters and bags
