200 Tablets (Approx)

EFFERVESCENT DISINFECTANT & CLEANING TABLETS

INFORMATION SHEET

USE:

Effective against MRSA, Viruses, C Difficile and all food poisoning bacteria.
 Ideal for Water Purification, Food Surfaces, Salad Wash, Washrooms, Equipment Disinfection, Vending Equipment, Floors and Tiles, Mop Soaking and Bleaching.

DIRECTIONS:

An NaDCC based disinfectant tablet especially formulated to be effective against all food poisoning bacteria, MRSA, C Difficile (2,000 ppm min.), Viruses, Algae, Fungi, etc. The tablets quickly dissolve in clean water to form a versatile disinfectant solution strength specific for the task. Suitable for general purpose sanitising, deodorising and disinfecting of most non-porous hard surfaces. Each tablet releases a minimum 1,000 parts per million available chlorine per litre of water even after prolonged storage.

General Instructions

Always mix a fresh disinfectant solution every 24 hours or so if solution is visibly dirty. Warm water (NOT HOT) will speed up the tablet dissolution time and improve disinfection.

General Sanitising of Equipment & Surfaces (Passes EN1276:2009)

Add 1 tablet to 5 litres of clean tap water to provide a solution of 200ppm available chlorine. Soak or wipe & leave for 5 minutes. Rinse if required.

Emergency Water Purification

1 tablet per 100L or 1 per 50L where heavily contaminated.

Vending Machine Residue Trays, Drains and Pipes:

Where finished drinks DO NOT have contact. Mix solution, 1 Tablet in 2.5 litres and pour in at quiet periods to reduce odour and kill bacteria.

Salad Wash

Catering (Instant consumption) 1 tablet in 20 litres of water, soak for 10 mins.
 Sandwich (Longer Shelf-Life) 1 tablet in 10 litres of water, soak for 10 mins.

Floors, Walls, Mop Soaking:

Add 1 tablet per 5 litres of warm water.

TECHNICAL:

Appearance:	White Flat Bevelled Tablet
Odour:	Characteristic odour
Solubility:	Freely Soluble
Oxidising Properties:	Non Oxidising Solid
Flash Point:	>100 C
pH:	As is - not applicable
pH:	In Solution - 5.0 -6.0 approximately
Explosion Properties:	Not Explosive
