

## PRODUCT USE GUIDE FOR

# SENSES UNIVERSAL BARRIER CREAM

## D67

### Product Description

A highly effective barrier cream containing a skin moisturiser to ensure that the skin is kept in a smooth supple condition. The product has been designed as a universal application cream and is suitable for both wet and dry work. It is long lasting, non-tacky and non-slippery on the hands. Its skin conditioning properties make it ideal as an after work reconditioning cream. No added lanolin or perfume.

### Product Features

- A smooth white odourless lotion which protects the skin against wet or dry contaminants. It does this by providing a barrier against a wide range of harmful substances, by reducing the effects of abrasion and by nourishing the skin.
- Suitable for skin protection on any part of the body.
- Its low odour allows its use where food is processed without fear of tainting foodstuffs.
- Complies with BSEN 1276 and is also effective against MRSA, Salmonella Typhimurium, Listeria Monocytogenes, Pseudomonas Aeruginosa, E.coli, Staphylococcus Aureus and Enterococcus Hirae.

### Direction for Use

- Use 3 to 5 grams per application.
- Rub well into cuticles and the webs of fingers.
- Suitable for use on other areas of the body but broken areas and sore patches should be avoided and treated with specialist creams.
- Use daily or before and after work.

### Storage

- Store in cool conditions away from direct sources of heat
- Avoid extremes of temperature
- Do not allow to freeze
- Ensure the cap is tightly fitted after use
- Keep out of reach of children

### Shelf Life

- Shelf life 30 months, if stored as recommended.
- Refer to product label for further storage details

### Environmental Hazards

- Do not allow large quantities of neat product to enter surface waterways.
- In the event of a large spillage, contact the local water authority or Environment Agency immediately.
