

Dynax

Tile, Grout & Stone Cleaner

- Superior Cleaning Results
- No Toxic or Hazardous Acids or Butyls
- Removes Years of Soil Build-up
- No Sticky Soap or Detergent Residues
- Will Not Damage or Etch Tile, Grout or Stone
- Absolutely odourless

Dynax Stone, Tile, Grout and Safety floor cleaner will provide excellent cleaning results on tiled floors, showers, bathrooms, kitchens, clay tile, pool tile, fine stone tile, grout, stone, marble, slate, granite, flagstone, Terrazzo, brick and safety & non-skid floors. It will even clean the bottom of ponds, fountains or pools and where there is algae build-up.

Dynax will cut through the toughest soil build-up. It is an excellent restorative cleaning product that will remove years of soil build up from tile, grout or stone surfaces. Dynax not only restores hard floors to their original condition but can also be used to maintain them on a daily basis. Effectively breaks down and removes old grease, oil, soap, dirt, scum, hard water deposits, mould and mildew residues, from a wide variety of tile, grout and stone surfaces.
