

Prochem Clensan Sanitiser

Approved to EN1276.

Clear liquid with herbal lemon fragrance.

Is a ready to use sanitiser and deodoriser for carpets and fabrics

**Product code
2545**

USES

A ready to use bactericidal sanitiser and deodoriser, specially formulated for use on carpet fibres and fabrics. Clensan's new biocidal formula is approved to EN1276 for direct spray treatment and is effective against a wide range of harmful organisms including bacteria and viruses.

Multi-surface sanitiser and deodoriser for carpets, upholstery, floors and hard surfaces.

DIRECTIONS

PREPARATION: Scrape or blot up any excess soiling. Heavy soiling should be thoroughly cleaned and rinsed before the application of Clensan. Always pretest carpet or fabric for colour fastness and texture change before proceeding.

APPLICATION: Apply by sprayer to affected areas and leave for 5 to 15 minutes contact time. Rinse area with water then blot with white towel or tissue and brush to align fibres.
