Date: 21/08/2020

Antiviral Kitchen Cleaner

Safe for use on all kitchen surfaces including food preparation areas. The powerful formulation is tough on grease and grime and leaves a smear free shine. It kills 99.99% of germs and viruses including Coronaviruses to ensure a safe, hygienic finish.

Directions for use: Turn nozzle to OFF position. Spray directly onto surface to be cleaned. Leave for a minimum of 5 minutes to ensure disinfection.

Wipe with a dry, clean cloth or paper towel. If action food preparation areas, ensure you rinse and dry surface before re-using.

Turn nozzle to OFF position after use. For heavily soiled surfaces, repeat application. Not suitable for wood, tiled or open pore painted or varnished wooden surfaces, aluminium, leather or sensitive coloured textiles. First test product compatibility on an inconspicuous area.

Note: Do not ingest. This is not a medicine.

Storage: Store sealed in original container in a cool place.

Tested to: BS EN 1276/BS EN 13697 & BS EN 14476.

Effective according to EN 14476 against enveloped viruses which include Coronaviruses. Also proven effective against the viruses that cause:

- Chicken pox
- Hepatitis B
