

Carousel NC1 Swingtop STC1

The Swingtop Carousel is, without doubt, not only an outstanding mobile cleaning module but also a very clever design providing a number of cleaning facilities in one exceptionally compact and easy to handle, user friendly, package.

In principle the Carousel range is designed to make compact size its first consideration but, whilst being small, it has ample scope for professional use.

Sometimes two or three smaller units are more acceptable than something larger.

The swing top allows waste disposal, mopping and access to cleaning material all simultaneously. The optional Bactiguard Twist mop with its anti-bactericidal specification will be much appreciated.

Truly the Cleaners' Friend

Optional
Bactiguard
Twistmop
200g
