

Eco Logik

Toilet Cleaner

USES

Bactericidal toilet and washroom cleaner. Toilet Cleaner is used neat for descaling toilets and urinals or as a diluted solution for general washroom cleaning. The thick blue liquid contains safe sulphamic and citric acids to dissolve limescale and organics and remove grease, body oils and scum from surfaces. Ideal for cleaning toilets, urinals, showers and sinks, Toilet Cleaner is safe for use on stainless steel. Ideal for washrooms in hotels, restaurants, nursing homes, hospitals, offices, shops, stores and airports..

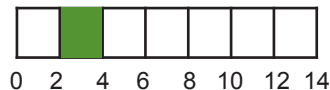

DIRECTIONS

Directions and Dilutions

Spray or pour on to soiled surface, leave for a few minutes contact time. Then flush away thoroughly with water. Agitation with a brush will help remove stubborn stains.

pH in use
